NEW AGENT
(1944)

From: STOCKHOLM

To: MOSCOW

No.: 97

9th January 1944

[Final part of a multi-part message]

[Part *] When he brought this, we demanded from him by the next meeting a written [B% undertaking] to work for us [B% on] [1 group unrecovered] questions and also a list with [1 group unrecovered] information about all the people he knew, especially those working in Swedish and German ports. In the early stages he [1 group unrecovered] some piece of information to each meeting on his own initiative: when, after all the above-mentioned precautionary measures, we had satisfied ourselves about him, we set him [6 groups unrecovered], having explained through which people reliable [4 group unrecovered]. At present work with

one must do.

[11 groups unrecovered]

[B% Swedish] captains. To get through to them, a roundabout way has to be taken once again, as the Swedes
